GOSSELIN MOVING

BELGIUM - MEMBER GOSSELIN GROUP

FAMILIES

Gosselin Moving has been a household name in the expatriate world for many years. Anywhere in the world, our know-how and profound professionalism are in demand. The members of our staff are professionals, specially trained and exceptionally helpful. They will assist and support you through every step of your move. You can confidently entrust your most treasured possessions to them. They will fully understand how much they mean to you and take the greatest care of them throughout the entire journey. They will handle all practical issues on your behalf, leaving you free to look after your family.

OFFICE MOVES

The success of moving an office or a factory depends to a great extent on the very detailed planning which precedes it. Gosselin Moving enjoys an outstanding reputation in this area. We have staff with many years' experience in the field of office removals. They are constantly on the look-out for the latest equipment and techniques. Day by day they work together with the logistics planning, in order to bring your office or factory removal flawlessly to a successful conclusion.

PROJECT MANAGEMENT

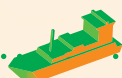

If you are considering moving your entire office, works, hospital or enterprise, we can offer you our special A to Z service, a total solution to guide and coordinate everything on your behalf. Along with experts in various fields we ensure the success of your removal, on time and within the proposed budget.

LAND

Our removal vans are a familiar sight on the roads of Europe. We have a large and varied fleet of vehicles equipped with special transport systems. Modern technology ensures that all our trucks can be optimally put to work in order to deliver your treasured possessions directly to their final destination.

WATER

Through the large number of containers that we ship to the four corners of the earth, our reputation stands high with many shipping companies. Thus we can rely on the best service in both the port of departure and of destination. The container loaded at your home is therefore delivered without problems to its final destination.

AIR

If you have goods that must reach their distant destination fast, Gosselin Airfreight Division is there to take care of you. GAD is an IATA certified airfreight company that can rely on the best agents anywhere in the world. They have direct links to the airlines, enabling them to keep track of your personal possessions closely at all times.
