Quality !

GOSSELIN MOVING DIVISION

The way we work ...

- **Personal premove survey**
- Detailed and transparent **tailor-made quotations**
- Once order for service is received : **planning of your move**
- We work with **first quality packing materials**
- We use our **own fleet of trucks**
- Our **staff** is highly **skilled** and **multilingual**
- **Experienced, trained and motivated moving crews**

Moving with kids ...

- 'survival box' for when the family is 'on the move'
- kids can pack their own favourite toys and stuff in the Gosselin 'kids box'
- the Gosselin kids boxes are loaded last in container
- toys will be unloaded first at the new destination
- happy kids on the move = succesful relocation !

Special care for your pets ...

- Your favorite pet deserves the best attention before, during and after his big trip
- We take great care in selecting specialist animal transportation companies
- Pet relocation services include :

Pre-departure health check

Certificate and veterinary documentation

Provision of IATA approved container/kennel

Pre-boarding prior to departure

Flight reservation

Customs clearance on arrival and hand over to owner

Delivery to destination residence

Quarantine services

Pet courier service
